

QUAM, LYLE

Quam was organist of the 3 rank Kilgen in the Leola Theatre in South Minneapolis, Minnesota in the 1920's. An interesting footnote in organ history is that this organ later was sold for \$1.00.

A large, handwritten capital letter 'Q' is centered on the page. The letter is formed with a single continuous stroke, starting from the top left, curving around to the top right, then down and across to the bottom right, and finally curving back up to the top left to complete the circle. A short vertical stroke extends downwards from the center of the bottom curve.
